UBS: Panorama Mid-Year 2018

Time to think differently Suni Harford Head of Investments 4 for rising rates globally and to exploit short-term opportunities as and when they arise Floating rate bonds, short-du- ration credit and securitized investments all have attributes that make them attractive in this environment There is also innovation from our sustainable and impact investing team who argue compellingly why ESG

The future of wealth management revisited

A new generation of investors think differently about advice and bring new attitudes and expectations to the WM industry; also influencing is how older investors purchase and consume wealth services All investors seem to have been rewired by now, and it is about the "rewired" adviser as well! Leading wealth managers have invested heavily in new digital experiences and tools to empower

How Vital Companies Think, Act, and Thrive

The Boston Consulting Group | How Vital Companies Think, Act, and Thrive 3 and Fortune magazine This index ranks the most vital US-listed companies To build it, we collected all theories purporting to explain the ability of a company to grow and we associated them with measurable variables We then tested those theories
