Organizational Design Analysis:

Zara

Zara's focus on supply chain efficiency and production innovation has made it an anomaly within its industry, as it has allowed the store to minimize the losses created by the unpredictability of the industry Its geographic distribution strategy may be seen as a misfit from an outsider's perspective, but is simply a small part that corresponds with their larger strategy of being **ZARA CASE STUDY (Part I) - Third Eyesight : Management ...** other retailers, Zara's machinery can react to the report immediately and produce a response in terms of a new style or a modification within 2-4 weeks Many other retailers have such long supply chain lead times that for them it would seem a lost cause for them to even try and respond to a sales report **Pharma 2020: Supplying the**

future - PwC: Audit and ...

Some companies have superb supply chains Fashion retailer Zara is renowned for the speed and agility of its supply chain, for example 1 Apple, Procter & Gamble, Cisco Systems and Wal-Mart also rank among those regarded as leading examples 2 However, most pharma companies have supply chains that are neither flexible nor cost-effective When the 'blockbuster' paradigm prevailed, this was
